Private Instruction

The Bach Parley String Academy offers lessons for 30, 45, or 60 minute sessions for students wishing to study the violin, viola, cello or ukulele. The lesson time and length will be mutually agreed upon by the student (or parents) and the teacher. Our faculty are professional musicians who hold advanced degrees in music and perform regularly in the Tallahassee area and beyond. Students may request a teacher at registration.

Group and Master Classes, Outreach Performances

Master classes are open to the public. Students enrolled in private lessons will be able to attend group classes. At the discretion of their teacher, students will be invited to perform in community Outreach Performances. Please let us know if you prefer we not include your child's picture in publications, newsletters, etc.

Attendance

Students are expected to attend all lessons. No make-up lessons will be given for a lesson missed by the student. Lessons missed by the teacher will be either rescheduled or refunded.

Lesson Preparation

Students should be prepared for lessons and practice at home in accordance with their teacher's instructions. Teachers generally expect daily practice, and young students should practice with parental supervision.

Expectation of Parents/Guardians

Parents are encouraged to attend lessons and help their child with daily practice.

Parents of young students are expected to observe lessons.

For older students, if parents and siblings want to wait outside the classrooms, they can wait in the chairs in hallway outside each teaching room, downstairs by the Calhoun Street entrance, downstairs in **Graham Lounge** (with air conditioning, comfy chairs and sofa, and fast WiFi, password: **saintjohnwifi**), or in the playground and/or Eve's Garden.
